Announcement of supplier selection

The contracting authority

HAS DECIDED

on the award of the above-mentioned small-scale public contract to the selected supplier

OpenAIRE AMKE

6 Arthemidos & Epidavrou, 15125, Marousi, Athens, Greece, VAT: EL997032008

and at the same time announces this.

Identification data of the selected supplier:

Name: **OpenAIRE AMKE**
Registered office: 6 Arthemidos & Epidavrou, 15125, Marousi, Athens, Greece
Tax. Reg. No.: EL997032008
ID: 147492701000

The total amount of the bid price without VAT is **EUR 41,600.**

Reasons for selection:

The evaluation criterion was the economic advantage of the bids. The economic advantageousness of the bids was to be evaluated according to the lowest bid price in EUR excluding VAT for the entire subject of the public contract for the entire period of performance. Since 1 bid was delivered, the contracting authority did not evaluate the delivered bids and immediately proceeded to assess the delivered bid. Further details regarding the assessment of the bid are provided in the Protocol on the assessment and evaluation of bids, which is annexed to this decision and the notification.

In view of the above, the Contracting Authority concludes that the bid of the supplier OpenAIRE AMKE, with its registered office at 6 Arthemidos & Epidavrou, 15125, Marousi, Athens, Greece, VAT: EL997032008, is the only bid submitted and at the same time meets all the minimum requirements of the Contracting Authority set out in the Invitation.

The contracting authority decided to award the contract to the contractor OpenAIRE AMKE, as that tender fulfilled all the conditions of the contracting authority.

Enlightenment:

No objections may be lodged against this decision/notification of the contracting authority on the selection of the supplier, nor can any other appeal be lodged against it.
